

## **Important information for the delivery of machines to Intec 2019 on 28 January, 2019 from 7:00 am**

### **Please note!**

The day of January 28, 2019 is intended exclusively for the delivery of exhibits (large machines). Early entry for stand constructors for laying floor coverings (carpets or machine floors) or installing suspensions above the exhibition stands on January 28, 2019 is only permitted in connection with a forwarding contract of the exhibition freight forwarder - DHL - for the transport of machines into the exhibition hall on January 28, 2019. Please also note that no intermediate storage of stand components etc. is possible at the exhibition area on the 28 January, 2019.

### ***Entrance to the exhibition grounds is possible only under the following conditions:***

- Submission of the exhibitor`s forwarding contract with the trade fair forwarder of Leipziger Messe (DHL) for the delivery of exhibits on the 28 January, 2019 to the exhibition halls (a copy of the forwarding contract with delivery-/takeover time of the respective exhibits)
- A copy of the official stand assignment of Leipziger Messe GmbH
- Legitimation of the exhibitor for the respective stand construction company, that is authorised to lay the floor coverings or install a suspension system
- Entrance to the exhibition grounds is possible for a security deposit 2 hours before the 1st exhibit is brought into the exhibition hall (takeover time as per forwarding contract with exhibition freight forwarder DHL).

**Regular stand construction is only possible between 7:00 a.m. on 29 January 2019 and 3:00 p.m. on 4 February 2019 - Please inform your service partners urgently.**

**Thank you very much!**

***Please also note the detailed traffic organisation regulations and notes on Intec / Z 2019 (available from October 2018).***
